Subject: Application for transfer- Insufficient fee

Mickey-

I spoke by phone with you this morning concerning the fee for the Application for Transfer to correct the POD location for the new City of Fairfield well. Based on the total diversion rate of both water rights involved, 2.73 cfs, the fee would be \$660.00. Subtracting the \$25.00 remitted with the application, the remaining amount due is \$635.00. If you have any questions, don't hesitate to give me a call or Email. Thank you.
