RE: Change in Ownership Water Right No. **31-7026 & 31-12230**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** For water right number 31-7026 it appears we are waiting for either an agreement with BLF Land for a the portion of the water right located in the E NW Section 27 Township 8 North Range 36 East or an additional filing fee of \$75.00 in order for the department to split the water right. The department sent you a map showing the property purchased and the place of use of the water right for your review on April 4, 2014, I have attached a copy of the map for your convenience.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
