

MEMORANDUM

Date: July 10, 2014
To: Transfer 79423
From: Blake Jordan
Re: Review & Evaluation of Sufficiency of Information

This transfer proposes to change the place of use for water rights 35-7192A and 35-9069. The applicant has reconfigured their pivots and seeks to change the place of use to accommodate these changes. The point of diversion will not change.

Authority to File:

The applicant is the current owner of water rights per IDWR record. The applicant is the current owner of the property at the current and proposed place of use per Jefferson County taxlot data. Luke Marchant who is the applicants attorney signed the application.

Water Right Validity:

Water rights were decreed in 2002. Aerial photography, Application for extension of time to avoid forfeiture and evidence of resumption of use suggests that these water rights have not been forfeited. Forfeiture is not an issue.

Injury to Other Water Rights:

Inside the ESPA and within WD 120. Point of diversion is not changing. No injury issues identified. This transfer will be processed with no advertisement. The watermaster does not oppose transfer.

Enlargement of Use:

No issues identified.

Local Public interest:

No issues identified.

Beneficial Use/Conservation of Water Resources:

No issues identified.

Effect on Economy the Local Area:

No issues identified.

Effect on Agricultural Base of the Local Area:

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
