PROOF DEFICIENCY LETTER

RE: Permit No. 74-15615

Dear Permit Holder(s):

During my review of your statement of completion ("proof") for this water right, I noticed that the proof form you submitted did not include the license examination fee.

The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without the license exam fee. The permit was issued with a maximum diversion rate of **0.04 cfs from surface water**. Based on your maximum diversion rate the examination fee due is **\$50.00**.

Upon receipt of the license examination fee, the Department will consider your proof of beneficial use to be filed at that time and will then be able to process your proof.

I am enclosing the license examination fee schedule, and a copy of your permit for your reference. I will hold this matter for **15-days** from the date of this letter.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in cursive script that reads 'Darla Block'.
