PROOF DEFICIENCY LETTER

RE: Permit No. 22-13826

Dear Permit Holder(s):

During my review of your statement of completion ("proof") for this water right, I noticed you listed a maximum diversion rate of 0.78 cfs. This letter is to inform you that you will be limited to a lesser rate of diversion than the amount listed on your permit based on the \$50.00 license examination fee you paid.

If it is your intent to cover the maximum diversion rate of 0.78 cfs from groundwater as listed on your permit then the total license examination fee is \$100.00, **and the amount still owed is \$50.00.**

Upon receipt of the additional license examination fee of \$50.00, the department will then be able to move forward with processing your proof statement.

I am enclosing a copy of your permit along with a license examination fee schedule for your reference. I will hold this matter for your response for fifteen (15) days from the date of this letter.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in black ink that reads 'Darla Block'.
