Dear Darla Block,

This letter is in reference to Permit No. 74-15990.

The requirement for a lockable device is already in place. The diversion is locally know as L-3A.

Enclosed is a copy of the letter the Water Master, Rick Sager, sent to you, earlier. Please refer to it for confirmation.

We hope this satisfies all requirements necessary.

Please notify us if there are any further questions.

Sincerely,

E. Dan French

Dear Darla Block:

As Water master of District 74 I am sending you my approval of conditions for permit 74-15990.

The diversion locally known as L-3A has a controllable lockable head gate and a measuring device.

If you have any further questions that I can help with please contact me.

Sincerely,

Rick Sager
