PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 94-7852

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Upon review of your proof of beneficial use statement, I took notice that this permit might also be in the names of Steve Carter and April Carter. This permit is solely in the names of Fred C. and Sharon L. Smith, and is considered personal property. If it is your intent to change the names of the permit holders of record to include Steve and Sharon Carter, an assignment of permit form must be filed with the department along with a \$25.00 fee. Please note that in order for the Department to make this change all four names will need to be listed on the line next to the words "hereby assign to". I am enclosing an Assignment of Permit form for your use.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene, Idaho at (208) 762-2800. If you have questions regarding ownership change, please feel free to give me a call at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
