RE: Notice of Change in Water Right Ownership for John C and Lisa M. Bourgeois Hall

The State office of the department received a Notice of Change in Water Right Ownership on July 2, 2014 from our Northern Office. This Notice was received at the Northern office on June 26, 2014.

I sent a deficiency letter to John C. Hall and Lisa Bourgeois Hall on July 3, 2014 to request the \$25 fee.

Today I received an inquiry from Mr. Hall about his refund from payment that he sent in earlier this year. He stated that he had sent \$100 to the department at the beginning of this process.

I contacted Eric Davis at Northern after researching for the receipt. I was transferred to Linda Werner since she had been dealing with Mr. Hall on adjudications matters. What I found was that the \$100 paid by Mr. Hall on June 2, 2014 was for a WR Permit Application Fee for WR 95-12205. The receipt number was N030483. After discussing this with Mrs. Werner, she realized that this Notice of Change in Ownership falls under the Northern Adjudication. She Asked me to return the ownership change to her. It was dropped in the mail at that time.
