State of Idaho
Department of Water Resources
Permit to Appropriate Water
NO. 36-16965

CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **July 01, 2019**.
2. Subject to all prior water rights.
3. Recreation storage use is for waterfowl hunting.
4. Stockwater storage use is for 20 range cattle (10 cow/calf pairs).
5. Rights 36-16740 and 36-16965 authorize the diversion of an annual total of 1.4 af to be used for the initial filling of the pond and for the replacement of losses caused by evaporation.
6. The pond established by the storage of water under this right and right 36-16740 shall not exceed a total capacity of 0.7 acre-feet and a surface area of 0.5 acre.
7. The right holder shall maintain an impermeable liner in the pond to eliminate seepage losses.
8. This right is an additional use of water diverted by the Big Bend Irrigation and Mining Co. under rights 36-133, 36-192 and 36-16126. No additional water shall be diverted from Upper and Lower Tucker Springs to satisfy this right.
9. The use of this right is subject to a private agreement for conveyance through the Big Bend Irrigation and Mining Co. ditch.
10. This right does not grant any right-of-way or easement across the land of another.
11. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.
12. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversions.
13. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 15 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 3rd day of July, 202014

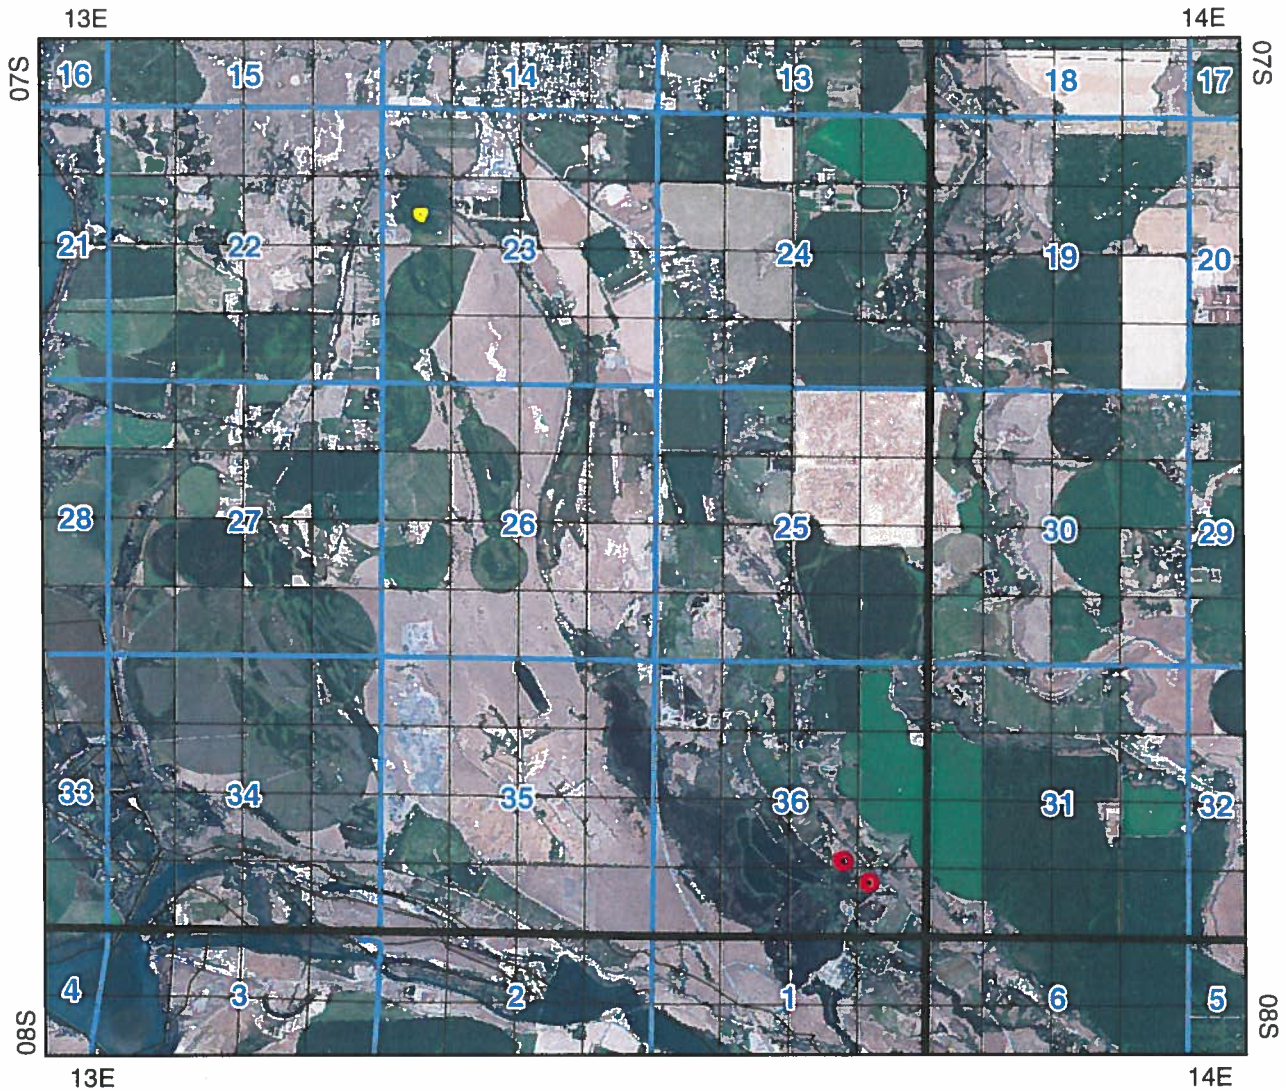

GARY SPACKMAN, Director

State of Idaho
Department of Water Resources
