RE: Change in Ownership Water Right No. **15-2070A, 15-7279 and 15-7280**

Dear **Sir/Madam:**

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** According to the notes on the file the department left a message for you on June 24, 2014 however we have heard a response. In order for the department to complete your application additional information will be required. The department acknowledges receipt of the deed from Paul and Kathy Hubbard to Paul Hubbard Farms LLC, however the current owner of the water right is Rose H Jones Family LLC, therefore the department will require a full chain of title back to the current owner of the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
