RE: Change in Ownership Water Right No. 1-10594

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee:** \$25.00 per water right for an ownership change not resulting in a division of a water right or \$100.00 per water right for a change that will require a split. The department acknowledges receiving a check for \$50.00 for a Water District 1 annual assessment however this is a separate 1 time filing fee for the Department of Water Resources which is a separate entity from Water District 1.

**** **Evidence of Ownership:** In order for the department to complete a change of ownership a copy of the recorded Warranty Deed or other legal document indicating your ownership is required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
