Dear Mary, Carl and Bob:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application is enclosed for your reference.

I'm not exactly sure who from IDL handles N Fork of the CDA River – so am trying to cover sufficient bases.

This is being scheduled to publish in the Shoshone News Press on June 3 and 10, making final date for protests to be received in our office – June 21, 2010.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication.

Please contact this office if you have any questions regarding the application.

Sincerely,

*Dianne Ball*
