RE: Permit No. 37-22436

Dear Ms. Block,

The Croy Canyon Ranch Foundation has sold our property in Blaine County to the Animal Shelter of the Wood River Valley, effective May 28, 2014. After extensive studies to develop the continuing care community on the property, it was determined that our project was no longer feasible. The Croy Canyon Ranch Foundation is applying to assign the above referenced water permit to the new property owner, the Animal Shelter of the Wood River Valley

Enclosed are the forms as well as the applicable application fees to assign the permit to the new owner, Animal Shelter of the Wood River Valley and their request for an extension of time to develop the water right and file proof of beneficial use of water on this site.

Sincerely,

Kathleen J. Eder
Executive Director
Croy Canyon Ranch Foundation
