Re: Flanigan 37-02168B Water Supply Bank Rental Shapes

On June 20, 2014 I created rental shapes for the Chris and Jackie Flanigan Rental for Water Right 37-02168B. I noticed that the Applications place of use did not match their map nor their Rental Agreement. Upon further review. I checked the taxlots info in Arc map and determined that the agreement and their map was the correct area to create the WSB Rental Shape.
