3. This right is limited to the irrigation of 16.3 acres within the authorized place of use in a single irrigation season.
4. Rights 27-12265 and 27-12266 when combined shall not exceed a total diversion rate of 0.33 cfs, a total annual maximum diversion volume of 100.0 af at the field headgate, and the irrigation of 25.0 acres.
5. Municipal use under rights 27-12265 and 27-12266 is for irrigation of 25.0 acres within the authorized place of use in a single irrigation season.

Transfer No. 79218

WATER RIGHT NO. 27-12265
As Modified by Transfer No. 79218

CONDITIONS OF APPROVAL

6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
7. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
8. Prior to diversion and use of water under Transfer approval 79218, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion, in accordance with Department specifications.
9. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
10. Beginning on the date of approval of Transfer 79218, the irrigation uses under rights 27-12265 and 27-12266 when combined are limited to the following schedule of allowed use.

Year 2014 the rights are limited to 0.29 cfs, 88.0 afa and 22.0 acres.

Year 2015 and beyond the rights are limited to 0.33 cfs, 100.0 afa and 25.0 acres.
11. The irrigation component of municipal use under this right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate.
12. The combination of changes under Transfer approvals:

79213 as described under rights 25-14405 and 25-14406
79215 as described under rights 29-14106 and 29-14107
79217 as described under rights 35-14381 and 35-14382
79218 as described under rights 27-12265 and 27-12266

provide the necessary mitigation for any increased depletion to connected reaches of the Snake River that would result from each individual transfer. These transfer approvals shall not require mutual dependence for ongoing mitigation.

Any future action, including a subsequent transfer of this right or an order rescinding a transfer approval, which would result in a change to the point(s) of diversion under this right may require mitigation for the effects of the change. Such future action to change the point(s) of diversion under this right shall be analyzed for effects to connected reaches of the Snake River based on the priority date, point(s) of diversion and steady-state quantity as authorized for this right under Transfer approval 79218.
13. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
14. This right does not grant any right-of-way or easement across the land of another.

Transfer No. 79218

WATER RIGHT NO. 27-12265
As Modified by Transfer No. 79218

CONDITIONS OF APPROVAL

15. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
16. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
17. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

CONDITIONS OF APPROVAL

1. Place of use is within the service area of the City of Blackfoot municipal water supply system as provided for under Idaho Law.
2. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.
3. This right is limited to the irrigation of 10.6 acres within the authorized place of use in a single irrigation season.
4. Rights 27-12265 and 27-12266 when combined shall not exceed a total diversion rate of 0.33 cfs, a total annual maximum diversion volume of 100.0 af at the field headgate, and the irrigation of 25.0 acres.
5. Municipal use under rights 27-12265 and 27-12266 is for irrigation of 25.0 acres within the authorized place of use in a single irrigation season.

Transfer No. 79218

WATER RIGHT NO. 27-12266
As Modified by Transfer No. 79218

CONDITIONS OF APPROVAL

6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
7. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
8. Prior to diversion and use of water under Transfer approval 79218, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion, in accordance with Department specifications.
9. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
10. Beginning on the date of approval of Transfer 79218, the irrigation uses under rights 27-12265 and 27-12266 when combined are limited to the following schedule of allowed use.

Year 2014 the rights are limited to 0.29 cfs, 88.0 afa and 22.0 acres.

Year 2015 and beyond the rights are limited to 0.33 cfs, 100.0 afa and 25.0 acres.
11. The irrigation component of municipal use under this right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate.
12. The combination of changes under Transfer approvals:

79213 as described under rights 25-14405 and 25-14406
79215 as described under rights 29-14108 and 29-14107
79217 as described under rights 35-14381 and 35-14382
79218 as described under rights 27-12265 and 27-12266

provide the necessary mitigation for any increased depletion to connected reaches of the Snake River that would result from each individual transfer. These transfer approvals shall not require mutual dependence for ongoing mitigation.

Any future action, including a subsequent transfer of this right or an order rescinding a transfer approval, which would result in a change to the point(s) of diversion under this right may require mitigation for the effects of the change. Such future action to change the point(s) of diversion under this right shall be analyzed for effects to connected reaches of the Snake River based on the priority date, point(s) of diversion and steady-state quantity as authorized for this right under Transfer approval 79218.
13. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
14. This right does not grant any right-of-way or easement across the land of another.

Transfer No. 79218

WATER RIGHT NO. 27-12265

As Modified by Transfer No. 79218

CONDITIONS OF APPROVAL

6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
7. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
8. Prior to diversion and use of water under Transfer approval 79218, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion, in accordance with Department specifications.
9. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
10. Beginning on the date of approval of Transfer 79218, the irrigation uses under rights 27-12265 and 27-12266 when combined are limited to the following schedule of allowed use.

Year 2014 the rights are limited to 0.29 cfs, 88.0 afa and 22.0 acres.

Year 2015 and beyond the rights are limited to 0.33 cfs, 100.0 afa and 25.0 acres.

11. The irrigation component of municipal use under this right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate.
12. The combination of changes under Transfer approvals:

79213 as described under rights 25-14405 and 25-14406

79215 as described under rights 29-14106 and 29-14107

79217 as described under rights 35-14381 and 35-14382

79218 as described under rights 27-12265 and 27-12266

provide the necessary mitigation for any increased depletion to connected reaches of the Snake River that would result from each individual transfer. These transfer approvals shall not require mutual dependence for ongoing mitigation.

Any future action, including a subsequent transfer of this right or an order rescinding a transfer approval, which would result in a change to the point(s) of diversion under this right may require mitigation for the effects of the change. Such future action to change the point(s) of diversion under this right shall be analyzed for effects to connected reaches of the Snake River based on the priority date, point(s) of diversion and steady-state quantity as authorized for this right under Transfer approval 79218.

13. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
14. This right does not grant any right-of-way or easement across the land of another.

WATER RIGHT NO. 27-12265
As Modified by Transfer No. 79218

CONDITIONS OF APPROVAL

15. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
16. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
17. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

POWER OF ATTORNEY

IMPORTANT INFORMATION

This power of attorney authorizes another person (your agent) to make decisions concerning your property for you (the principal). Your agent can make decisions and act with respect to your property (including your money) whether or not you are able to act for yourself. The meaning of authority over subjects listed on this form is explained in the uniform power of attorney act, chapter 12, title 15, Idaho Code. This power of attorney does not authorize the agent to make health care decisions for you. The agent's authority will continue until your death unless you revoke the power of attorney or the agent resigns. Your agent is entitled to reasonable compensation unless you state otherwise in the Special Instructions.

Co-agents are not required to act together unless you include that requirement in the Special Instructions. If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent. This power of attorney becomes effective immediately unless you state otherwise in the Special Instructions.

DESIGNATION OF AGENTS

I, BRAD H. HALL, name the following persons as my agents (co-agents):

IMPORTANT INFORMATION FOR AGENT

AGENT'S DUTIES:

When you accept the authority granted under this Power of Attorney, a special legal relationship is created between you and the principal. This relationship imposes upon you legal duties that continue until you resign or the Power of Attorney is terminated or revoked. You must:

1. Do what you know the principal reasonably expects you to do with the principal's property or, if you do not know the principal's expectations, act in the principal's best interest;
2. Act in good faith;
3. Do nothing beyond the authority granted in this Power of Attorney; and
4. Disclose your identity as an agent whenever you act for the principal by signing the name of the principal and signing your own name as "agent" in the following manner:

Sign Principal's Name By:

Your Signature as Agent

Unless the Special Instructions in this Power of Attorney state otherwise, you must also:

1. Act loyally for the principal's benefit;
2. Avoid conflicts that would impair your ability to act in the principal's best interest;
3. Act with care, competence and diligence;
4. Keep a record of all receipts, disbursements, and transactions conducted for the principal;
5. Cooperate with any person that has authority to make health care decisions for the principal to do what you know the principal reasonably expects, or, if you do not know the principal's expectations, to act in the principal's best interest; and
6. Attempt to preserve the principal's estate plan if you know the plan and preserving the plan is consistent with the principal's best interest.

TERMINATION OF AGENT'S AUTHORITY

You must stop acting on behalf of the principal if you learn of any event that terminates this Power of Attorney or your authority under the Power of Attorney. Events that terminate a Power of Attorney or your authority to act under a Power of Attorney include:

1. Death of the principal;
2. The principal's revocation of the Power of Attorney or your authority;
3. The occurrence of a termination event stated in the Power of Attorney;
4. A legal action is filed with a court to end your marriage to the principal, or for your legal separation, unless the Special Instructions in this Power of Attorney state that such an action will not terminate your authority.

LIABILITY OF AGENT

The meaning of the authority granted to you is defined in the act. If you violate the act or act outside the authority granted, you may be liable for any damages caused by your violation.

AGENT'S CERTIFICATION AS TO THE VALIDITY OF POWER OF ATTORNEY AND AGENT'S AUTHORITY

I, Logan Hall, certify under penalty of perjury that my mother Andrea Hall granted me authority as an agent in a Power of Attorney dated _____, 2013. I further certify that to my knowledge the principal is alive and has not revoked the Power of Attorney or my authority to act under the Power of Attorney and that the Power of Attorney and my authority to act under the Power of Attorney have not terminated.

I, Cole Hall, certify under penalty of perjury that my mother Andrea Hall granted me authority as an agent in a Power of Attorney dated _____, 2013. I further certify that to my knowledge the principal is alive and has not revoked the Power of Attorney or my authority to act under the Power of Attorney and that the Power of Attorney and my authority to act under the Power of Attorney have not terminated.
