RE: *Submission of Stipulations for Withdrawal of Protest for Application for Permit Nos. 01-10625 and 01-10626 in the Name of Peoples Canal and Irrigation Company and Snake River Valley Irrigation District, Respectively.*

Dear James:

This is a cover letter to four packets of *Stipulations for Withdrawal of Protest* in the above referenced applications. There does not appear to be any reason to delay issuance of the permits, and we therefore request that it be done as soon as practicable. As described in the stipulations, we request that you issue a proposed order including the conditions referenced in paragraph 1 of each of the stipulations so that the parties can ensure that the conditions in the stipulations are in the draft permits. Each party will have 14 days to object to any variation with the draft permits relating to the inclusion of their conditions.

With these stipulations in hand, there is no need to have a hearing that is currently scheduled for June 17th, 18th and 19th, and we therefore request that it be vacated.

We appreciate your attention to this matter. Please let me know if you have any questions.

Best Regards,

Robert L. Harris
