RE: Resolution of Contested Application for Permit 15-7367

Dear Parties:

Please let this letter confirm that the protests filed against Application for Permit 15-7367 have been withdrawn subject to certain conditions being added to the permit. The resulting permit is included in this same mailing.

Thank you for being willing to participate in the pre-hearing conferences in a open and respectful manner. I felt that the conferences were very productive. Feel free to contact me with any future questions or concerns.

Sincerely,

James Cefalo
