RE: Notice of Change in Water Right Ownership

Dear Applicants,

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined some clarification and additional documentation is needed.

- 12059 & 10193 are not valid water right numbers.
- The filing fee for a Notice of Change in Water Right Ownership is \$25.00 **per** undivided water right or a fee of \$100.00 per split water right.
- Submit a **recorded** Deed.

Because the Department cannot process this request at this time, we are returning you application and all attachments. You may submit the application at anytime with the required documentation.

If you have any questions regarding this matter, please contact me at (208)334-2190.

Sincerely,
