Re., Permit 36-16948

Dear Darla:

Enclosed is a check in the amount of \$125.00 to cover the deficiency in our application for the subject permit per your letter dated March 27, 2014 (copy enclosed).

You should be hearing from Frank Erwin, Watermaster for district 36, regarding his opinion on the measuring device.

Regards,

A handwritten signature in black ink, appearing to read 'WRoth', with a long horizontal stroke extending to the right.
