RE: Notice of Ownership Change for Water Right No. 61-12019

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient documentation.

The following was either not submitted with the notice or needs some clarification.

- A copy of the **recorded** conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- A plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation. If you have any questions, contact this office at 208-334-2190.

Sincerely,

Rachel Sommer
