RE: Ownership Change for Water Right No: 3-10229 & 3-10228

Dear Applicant:

Thank you for submitting the Notice of Change of Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.

Our office called you just after the application was submitted, but nothing happened as a result of that conversation. We did not receive the proper documentation.

Because the Department cannot process this request without proper information and fees, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments—your notice will not be processed. You can mail it to the above address or e-mail it to westerninfo@idwr.idaho.gov (be sure to include the water right number in the subject line).

Thank you for your cooperation, if you have any questions please contact this office.

Sincerely,
