Hi Denise.

I have reviewed transfer 79293. There are a couple problems with it.

1-There is not a contract in place between South West Irrigation District and Mr. Wickel to provide him with BID water. SWID will have to be informed and a contract written and signed between SWID and Mr. Wickel. BID delivers no water to individuals.

2-The water bank water that is called out is curtailed from the Blue Lakes/Clear Springs/Rangen calls.

Therefore, I have to say these problems need to be addressed prior to approving this transfer.

Thank you.

Brian
