Subject: RE: Prehearing Conference for Varley Farms

James,

The Varley Farms Application for Permit protested by PacifiCorp is set for a prehearing conference in our office at 10am on June 24th.

I just realized this conflicts with the IWUA annual meeting and seminar in Sun Valley which both TJ and I will be attending involving various meetings and a speaking engagement.

Could we please reschedule? The afternoon of June 25th or anytime the 26th would work as immediate alternative dates.

I will copy Claudia Conder so she can respond on this. I will be out all next week at a hearing in Boise but my assistant Tessa Sparrow can coordinate any reschedule.

Thanks!

Randy
