Dana,

Sandy Hemenway had been working with you to bring the above described permits to resolution. She has since retired and I have taken over the files. When I reviewed the files, I found signed amended permits 65-22950 and 65-22953, submitted on February 7, 2014. However, notes in the file are unclear as to if the February 7, 2014 permit amendments are the ones that you intended to move forward with.

Could you please review the amendments and let me know if one or both of these are the amendments that your client wishes to move forward with?

Respectfully,
