RE: Water Right Permit No. 65-22950 & 65-22953

Dear Ms. Hofstetter:

Per your May 23, 2014 letter, I am enclosing two updated permit amendment that reflect the proposed Applications for Amendment submitted on February 21, 2014. Note that I added language identifying that portions of the place of use, and certain points of diversion, are actually located in unsurveyed accretion land.

Please review the amendments and initial any changes you wish to make. When satisfied, please return the signed amendments by **June 13, 2014**. No additional filing fees are required. If you choose to submit new versions of applications for amended permits 65-22950 and 65-22953, I will consider the February 7, 2014, versions withdrawn and replaced with the new version.

If I do not receive a response by June 13, 2014, I will move forward to issue licenses based on the February 7, 2014, amendments.

If you have any questions, please call me at (208) 590-2690.

Respectfully,

Craig L. Saxton
Water Rights Supervisor
