RE: Change in Ownership Water Right No. 29-10075

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

***** **Evidence of Water Right Ownership:** The department requires a copy of the recorded Warranty Deed in order to complete an ownership change, with your application you submitted a copy of the deed of Trust, however the department can not accept a deed of trust as evidence of ownership, the Warranty Deed is required. According to the notes on the file, the department contacted you on April 2, 2014 and April 11, 2014.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
