Ms. Hansen,

The Department received your request for an ownership change of Water right 34-7139 on May 12, 2014. After reviewing the request, it was found that this water right has combined limits with water right 34-7105 that is appurtenant to the same property. The Department needs another \$25 to change this right to Grant Us Peace LLC also. Please send the additional filing fee of \$25 to the Department at the address below with a note stating you would like us to add water right 34-7105 to your request. If you have any questions, please contact me.
