To Whom It May Concern,

Enclosed are the documents to transfer the water right ownership for Lot #4 and Lot #5 Wendell Tew Subdivision in Leslie Idaho from Laurie Thorson's name to Grant Us Peace LLC. My father, Grant Thorson, was the original owner of this property and of the water right. When he passed away September of 1989, my sister Laurie the executor of his estate had the water right put into her name. In 2002 we established Grant Us Peace LLC to manage the property and all rights associated with it. We were not aware that the water right was not transferred at that time. Laurie passed away on March 6th of this year and we are now trying to finalize the transfer. Please contact us if you need additional information.

Thank you so much for your help,

Julie Thorson Hansen
