Thank you so much for the delay. Actually, it has been so long since we began this procedure we don't even know what we did differently than the permit specified! Anyway, we will be home in May and will deal with it then.

Mrs. Stoltey:

Thank you for calling our office this morning in regard to your water right permit. I was just preparing to send a second notice regarding your permit so your timing was perfect. I will hold any further action on this permit until the middle of May so you have time to get back to Idaho and back into the paperwork mode. If I haven't heard from you by the 15th of May I will send another letter regarding your permit.

Enjoy your time in Mexico! Let me know if you have any other questions or concerns regarding this matter.

Sincerely,

KAY WALKER
