Keith,

I have reviewed the draft permit for 94-7560. IDFG's suggestions are included in the draft permit; therefore, our concerns have been satisfied and our protest is withdrawn.

If you have any other questions, please let me know.

Thanks,
Mary

Mary,

Attached is information that should finalize protested application #94-7560 that I'm trying to clean up. If you have any questions, don't hesitate to give me a call.

Thanks.
Keith.
