ONE FORM PER WATER RIGHT

This form is a statement that the lessor requests the termination of a Water Supply Bank ("Bank") lease for the water right identified below. A water right remains in the Bank for the accepted lease period unless released earlier by the Water Resource Board or until the lessor submits a request in writing to the Department of Water Resources to release the right from the Bank. However, if a water right is currently rented, the portion of the right being rented must remain in the Bank for the duration of the rental agreement.

If requesting a change in lease amounts (reducing acreage, etc.), you must file an Application to Sell or Lease a Water Right to the Water Supply Bank. This form can be found on IDWR's website at: www.idwr.idaho.gov.
