RE: Protest of Application for Transfer 79190 (Sun Valley Co.)

Dear Mr. Barker:

Our office received notification of the protest against the above referenced application, filed on behalf of John & Kristi Molyneux, Michel Harris & Pepin Corso-Harris. The Notice of Protest and filing fee of \$25 was received on 5/20/2014. **Since the protest period ended 5/19/2014 for this application, I must reject your protest(s).**

Since other timely protests were received on this pending application, the Department's "Rules of Procedure" provides a means for intervention into contested cases. A Petition for Intervention must be filed with the Department along with the appropriate filing fees. Please note that the \$25 fee received on May 20, 2014 will be applied accordingly to the petition to intervene. In addition it was noted that there were two parties listed as protestants. Therefore an additional \$25 is necessary, when submitting the petition. *If for some reason you decide not to file the petition to intervene, please request a refund of the \$25 paid under receipt No. C098860.* After review of any petition(s) filed, the department may grant or deny the motion.

Please also note that when filing a petition to intervene you must mail copies to all other parties to the case (Rule 301 and 302). You may contact Denise Maline at our office for a list of protestants, if necessary.

In addition, if you need a copy of these rules, please contact our office. The Rules of Procedure are also available on the Internet by using the IDWR Homepage at the following electronic address:

If you have further questions about this process, please feel free to get in touch with us.

Sincerely,
