Tim,

I have a meeting scheduled for January 6, 2014, with Shelley Keen, Jeff Peppersack, Craig Saxton, and Garrick Baxter (IDWRs attorney) to go over the different options for the Petition for Reconsideration submitted by BLM. As soon as a decision is made, I will get back with you.

Please email me something in writing that I could show as a document for the historical use of that stockwater pond (how long it has been there and used by your family for stockwater). Please get that to me by January 2, 2014, to ensure that I have all evidence present.

Thanks,

Sandy

Thank you for the info, Sandy. I know this reservoir. It has been there as long as I remember. I think my Dad did some spillway repair on it about 20 years ago, but I can't remember the timeframe for sure. The reservoir existed prior to that. In any case, that has been used for stockwater for a minimum of 20 years. Thanks again for following up with me. Merry Christmas...

Tim,

Attached is a map and pictures from pond #2, that is in Sec 24, that BLM are referencing in the request for reconsideration.

After speaking with Shelley Keen this morning, he has asked me to hold off on issuing another license and the reconsideration order. He wants to review it some more.

I know you had stated that this pond was there in Sec 24 since you were a boy. Could you send me something in writing in reference to that statement?

Thanks,

Sandy

Tim,

Please see the attached Petition for Reconsideration for the License 55-13891. BLM is stating that you were not authorized to construct this stockwater reservoir in Section 24 SENE. That they own this property and that Vernon Kershner is the only authorized grazing permittee in the Blackbird Point Allotment. As far as the pond/reservoir issue, you might want to get in contact with Fred Price, BLM (208)373-3831, fwprice@blm.gov to resolve this issue.

What will occur is that the department will be issuing another license that will show only the one pond that is located in Section 25 NENE, SENE.

If you have any questions, please give me a call.

Evidence to Deny ~~the~~ Petition to Reconsider:

- 1) Long standing use of stockwater storage (pond) @ Tim Quintana said it's been there since he was a kid @ ArcMap historically showing pond
- 2) No prior indication from BLM of disapproval
- 3) 42-1701 A Hearing before Director
- 4) 1/8/2014 is our 21 days for reconsideration
