

MEMORANDUM

Date: May 15, 2014
To: Water Right File 11-7491
From: jhersley 
Re: lapse notice

A lapse notice was sent on May 12, 2014 for this permit. The permit holder called on May 15, 2014 to inform us the proof had been sent in. The Proof of Beneficial Use was located and had been received on April 28, 2014. The permit has been made active again without advancing the priority date.
