DEPARTMENT OF
WATER RESOURCES

Director,

This letter is in response to Notice of final order extending
Boise Front Moratorium.

This is a Petition for Reconsideration.

I do not understand the implications of the letter you sent
to me regarding this issue.

I want to preserve my right to use my own well water
to irrigate my 5 acres of property.

I have filed a permit to do this and hope to complete
the establishment of this water right this year.

Please inform me in a simple way what I need to
do to establish and preserve my water rights.
