WELL FOR WATER RIGHT APPLICATION 94-9291

Re: Application for Water rights to appropriate the Public Waters of the State of Idaho:

After reviewing the water permit and well driller's reports for this application we have discovered that fee for your well needs and upgrade. I have enclosed copy of the driller report that indicate domestic use only in line #4. This means the driller bought a permit for \$ 75.00 in 1998 for domestic use (Not Irrigation). The one time well upgrade fee is \$125.00.

- Well up grade fee =\$125.00

Please send the fee for the well with the ID # 94-9291, D0005660.

Good work on your application. Thanks

Once the department receives these additional fees, processing of the water applications can continue. If you have any questions, please call me at 208-762-2800 or email me at eric.davis@idwr.idaho.gov Please respond within 15 days.

Sincerely,
