RE: Application to Appropriate Water in the Upper Salmon River Basin 75-14476

Dear Scott Bergendorf,

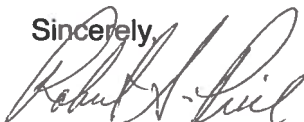

This letter is a followup to your E mail dated April 16, 2014 in which you outlined the authorizations that were required to to allow our water right. Please find attached the following:

- Permission slip to access point of diversion signed by Jo Ann Demick
- Permission slip to convey water across property signed by Paul Douillard and Mac Yakovac
- Permission slip to convey water across property signed by Russell Froemming
- Permission letter to convey water in ditch immediately adjacent to Wagon Wheel Road within county easement, from Lemhi County road and bridge, signed by Kerrie Cheney, Road and bridge supervisor

These authorizations should complete the requirements to appropriate water for our property. As you recommended, I worked with my neighbor Joy LeMaster, 33 Wagon Wheel Rd., Salmon, ID 83467 and each authorization above also includes her name and address.

Thanks for your patience during this endeavor, and if I can be of any further assistance, please let me know.

Sincerely,

Robert S. Price
