

MEMORANDUM

Date: March 13, 2014

To: Transfer 79052

From: Scott Bergendorf

Re: Transfer Analysis

This transfer proposes to add points of diversion for water rights 22-2132, 22-7529, 22-7698, 22-7790, and 22-7814. The applicant seeks to add all 7 wells to all of their municipal water rights. The City of Driggs municipal service boundary will not be changed.

Authority to File:

The applicant is the current owner of water rights per IDWR record and owner of the property at the "Teton Creek Well" per Quit Claim deed. Daniel J Powers who is the Mayor for the City of Driggs signed the application.

Water Right Validity:

Water Right 22-2132 was decreed in 2008, and water rights 22-7529, 22-7698, 22-7790, and 22-7814 have been licensed. Forfeiture is not an issue per Idaho Code 42-223.

Injury to Other Water Rights:

No ESPA analysis is required, not within the ESPA model boundary. This transfer was advertised and there are no protests. Not regulated by a water district.

Enlargement of Use:

No issues identified.

Local Public interest:

No issues identified.

Beneficial Use/Conservation of Water Resources:

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
