Transfer No. 79215

WATER RIGHT NO. 29-14106
As Modified by Transfer No. 79215

CONDITIONS OF APPROVAL

8. Prior to diversion and use of water under Transfer approval 79215, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion, in accordance with Department specifications.
9. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
10. The irrigation component of municipal use under this right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate.

11. The combination of changes under Transfer approvals:

79213 as described under rights 25-14405 and 25-14406
79215 as described under rights 29-14106 and 29-14107
79217 as described under rights 35-14381 and 35-14382
79218 as described under rights 27-12265 and 27-12266

provide the necessary mitigation for any increased depletion to connected reaches of the Snake River that would result from each individual transfer. These transfer approvals shall not require mutual dependence for ongoing mitigation.

Any future action, including a subsequent transfer of this right or an order rescinding a transfer approval, which would result in a change to the point(s) of diversion under this right may require mitigation for the effects of the change. Such future action to change the point(s) of diversion under this right shall be analyzed for effects to connected reaches of the Snake River based on the priority date, point(s) of diversion and steady-state quantity as authorized for this right under Transfer approval 79215.

12. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
13. This right does not grant any right-of-way or easement across the land of another.
14. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
15. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
16. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
