**RE: RENTAL OF WATER RIGHT(S) LEASED TO THE WATER SUPPLY BANK.
WATER RIGHT NO(S). 43-13595 AND 43-13597**

Dear Lessor:

While conducting an audit of Water Supply Bank rental payments for 2013, it was discovered that a payment was due to the water right holders of the above referenced rights in the amount of \$642.60.

The Department of Water Resources is enclosing a state warrant in the amount of \$321.30 as payment to you for the rental of the above referenced water right from the Water Supply Bank managed by the Idaho Water Resource Board.

Because the above referenced water rights are owned by two parties, Ward Land and Livestock LLC and Glenn Ward, each party will receive a check in the amount described in this letter.

If you have questions regarding this matter, please contact me at (208) 287-4944.

Sincerely,

RE: **WATER SUPPLY BANK WARRANT REQUEST – RENTAL OF WATER
RIGHT NO(S). 43-13595 and 43-13597**
DATE: April 25, 2014

While conducting an audit of WSB rental payments, it was discovered that a payment was due to the owners of water right 43-13595 and 43-13597 in the amount of \$642.60.

This oversight occurred because there was a rental agreement; group ID 1167, which included private agreements with some of the right holders. The remaining water rights did not include a private agreement. The first payment of \$884 under receipt #C097396 for the rental agreement was deficient. A second payment was remitted to the Department to cover the remaining portion of the payment due, which included the owner share only for water rights 43-13595 and 43-13597. The second payment was for \$642.60 under receipt #C097466. The second receipt was not entered into the Access database and therefore did not appear in our final report of rental payments due.

Because the above referenced water rights are owned by two parties, each party will receive a check in the amount equal below:

Please issue a payment of \$321.30 to:
