RE: Use of Decreed Water Rights for Ground Water Recharge

Dear Todd:

As we discussed this morning in our joint telephone conversation with Brockway Engineering and the State Office of IDWR, please find enclosed two memorandums for your files. Please also note these memorandums will be available as scanned documents found under Transfer No. 78927.

The first is dated 3/11/2014 addressing "Limitations on Ground Water Recharge Use". The second is dated 4/22/2014 and addresses "Defense from forfeiture of recharge rights".

If you have any questions please let me know.

Respectfully,

Allen Merritt, PE
Southern Region Manager
