Dear Mr. Franklin:

Enclosed you will find Empire Lumber Company's Statement of Completion concerning the fire pond located at our sawmill operation in Weippe, Idaho. I have included a check in the amount of \$50.00 which is according to the fee schedule included with the application form. Also included are two pictures showing the completed fire pond and pump house as well as an interior photo of the fire pumps that will hopefully provide sufficient proof that our project has been completed and is currently in use.

It is my understanding that all necessary information has now been provided to the IDWR. If more information is required please let me know and I will provide it to you.

Sincerely,

Randy Eller,
Resource Manager
