RE: Water Right 75-7491

Mr. McKnight

I am reviewing an old water permit for licensing. The property is located near North Fork, Idaho and the right intended to use a well for domestic use and irrigation of 2.5 acres. The last ownership we have on the record is a William McKnight at the above address. Our records indicate that Mr. McKnight bought the property from Maynard and Esther Holcomb in late 1994 or early 1995.

If you or your relatives have any knowledge of this property, the water right in question or other details about who bought the property from you or your relatives, I would appreciate it if you would call me at your earliest convenience.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Ciscell'.
