

MEMORANDUM

Date: April 1, 2014
To: Transfer 78986
From: Layton Walton
Re: Review & Evaluation of Sufficiency of Information

This transfer proposes to rearrange the place of use for water right 35-14289 to coincide with current irrigation practices and to address a pending notice of violation issued by IDWR in April 2012.

Authority to File:

Applicant is the current water right owner per IDWR records.

Water Right Validity:

Water right decreed in 2002. 2013 aerial photography shows land to be irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:

Inside the ESPA and WD 120. Point of diversion is not changing. No ESPA analysis required.

Watermaster does not oppose transfer. It was deemed unnecessary to advertise this transfer pursuant to Section 42-222, Idaho Code. No injury issues identified.

Enlargement of Use:

No enlargement issues identified.

Local Public interest:

No issues identified.

Beneficial Use/Conservation of Water Resources:

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
