Subject: Evergreen Terrace Water Right 92-7229 Change of Ownership

Hello Bryce and Arlo,

I have a change of ownership form in our file changing the ownership of the water right from Evergreen Water Company to Evergreen Terrace Water Association, Inc. The paperwork that I received doesn't have the mandatory \$25.00 fee. Before I send out the amendment, I want to make sure that you paid the fee and we just don't have a record of it, or if you never did pay the fee.

If you did pay the fee, could you send me a copy of the cancelled check, or receipt.

If you didn't pay, you will need to pay the \$25.00 to change the name on the water right. You can do that at the same time you send in the fee for the amendment, but I wanted to make sure we didn't over charge you. If you didn't pay the change of ownership fee, you will need to submit a check for \$125.00 when you return the assignment of permit.

Thank you.
