Application proposes appropriating 50 cfs of water from waste water from the North Side Canal Co. system for mitigation, ground water recharge and irrigation purposes to mitigate for existing and future water calls from senior water right holders in the Hagerman area on junior ground water users that are members of the Ground Water Districts (Applicants) in the Eastern Snake Plain Aquifer. The proposed points of diversion are located at the head of the Sandy Pipeline and within the Sandy Ponds approximately 4 miles south and 3 miles east of Hagerman. The application identifies the location of the mitigation use to be within the Hagerman valley area and the irrigation place of use centered approximately 3 miles south and 2 miles east of Hagerman. Ground water recharge is proposed at the Sandy Ponds.

NOTICE OF PROPOSED CHANGE OF WATER RIGHT

TRANSFER NO. 79135

RANGEN INC, PO BOX 706, BUHL, ID 83316; has filed Application No. 79135 for changes to the following water rights within GOODING County(s): Right No(s). 36-15501, 36-2551, 36-7694. The purpose of the transfer is to change a portion of the above rights as follows: Transfer proposes to add two points of diversion and refine source descriptions to three existing water rights (36-2551, 36-7694 and 36-15501). The rights presently describe only the Martin-Curren Tunnel. The two additional diversions utilize existing water collection boxes. One is on Billingsley Creek at its head and the other midslope between the Martin-Curren Tunnel and Billingsley Creek. All are located at an existing fish farm located approximately 2.5 mi. south and 2.0 mi. east of the City of Hagerman near Vader Grade on the Wendell-Hagerman Highway. The three diversions will be used to divert up to 76 cfs under the existing rights.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Southern Region office at (208) 736-3033; or for a full description of the rights &/or proposed transfer, please visit our website at www.idwr.idaho.gov and search under New Water Right Applications. Protests may be submitted based on the criteria of Sec 42-222 and 42-203A, Idaho Code. Any protest against the approval of this application(s) must be filed with the Director, Dept. of Water Resources, Southern Region, 650 Addison Ave W, Ste 500, Twin Falls, ID 83301 together with a protest fee of \$25.00 for each application on or before April 21, 2014. The protestant must also send a copy of the protest to the applicant.
