RE: Change in Ownership Water Right No. 29-14103 and 29-11021

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

***** **Filing Fee** of \$25 per water right

***** **Filing Fee** of \$100 per water right for changes resulting from division of a water right.

Total filing fee required for your application is an 'additional' \$125.00

***** **Signature:** Signature of new owner on Ownership Change application.

***** **Agreement:** Split agreement for water right 29-11021.

According to the notes on the file the department has contacted both the applicant and Lewiston State Bank in late March. As of today the department has not received the additional items needed to complete this application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
