Re: Application for Permit No. 63-33869 – Amended Application Request

Dear Mr. Nattress:

The Idaho Department of Water Resources (IDWR) recently received your application seeking ground water for irrigation, stockwater, and domestic uses. As discussed during our phone conversation on 3/25/14, I sent an email request for an amended application on 3/25/14. I called following my email to confirm you received the email. I have not received confirmation, so I wanted to send the request via regular mail to make sure you received it. Enclosed is a copy of my email message with the drafted amended application and map. Before processing can continue, IDWR requests you submit an amended application and additional processing fee as discussed in my email. Due to the fact that I have been unable to confirm you received my email request, publication of your application will not take place until an amended application and additional fee (if applicable) are received.

Please provide an amended application and applicable fee for application processing to continue. You may seek additional time to provide the amended application and information by making a written request to interrupt processing for up to six months. **Your response including the requested information, or a request for more time to seek the information, must be received within the next thirty (30) days.** The application will be voided without a timely written reply.

Please contact me at 208-334-2190 if you need more information. Thank you for your attention to these matters.

Sincerely,

Angela M. Grimm, P.G.
Water Resource Agent, Sr.

Dave,

Good afternoon! As we discussed during our phone conversation earlier today, I've attached to this email a draft amended application for your water right application 65-23579. This application includes more acres (10.5 acres estimated based on area shown on map), corrected legal descriptions for the point of diversion (POD) and place of use (POU) locations, and details explaining your proposed use based on our conversation. Please look over the entire application and make sure it accurately reflects your intentions. Once reviewed and if complete, please sign and return (original signature) with an additional \$150.00 for the increase in filing fee (0.27 cfs requires \$250.00 fee, \$100.00 received with your original application + \$150.00 requested) as soon as possible. Meanwhile, in order to expedite processing of your application, I will request this application be published in the local newspaper as drafted in the attached amended application. **If there is something you do not agree with in the draft application attached it is critical you let me know as soon as possible (before Thursday 3/27 morning) to avoid having to re-advertize your application which will cost you an additional \$50.** Please feel free to call me with any questions.

Sincerely,
Angie
