RE: Application for Permit No. 37-22858  
Protest by Big Wood Canal Company

Dear Mr. Merritt:

According to my phone conversation with Craig Hobdey this morning the BWCC will drop its Protest of our Application if we reduce the quantity to be appropriated to a total of .02 cfs for our domestic and stockwater purposes.

We are willing to accept .02 cfs for the total on our Application for Permit No. 37-22858.

Thank you for your help with this matter.

Sincerely,

David Daniel, Secretary-Treasurer
