Application For Permit No. 96-9540

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 4/3/2014 and 4/10/2014. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Keith Franklin
Program Manager

Hi Amber,

Well, I made it before noon – hopefully this will be early enough to catch the requested publication dates. ☺

Please publish the enclosed legal notice on the dates indicated, April 3 and 10, 2014, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

Please send a proof/preview copy for my review before this goes to press. It should be very close to press ready – 2-column, 8pt, CenturyOldStyle font.

Please have the press take notice of the **USE** area and how it is offset a little. The legal should look as submitted.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 4/21/2014. Your cooperation is greatly appreciated.

Thanks so much for all your super help. If you or the press have **any** questions, please call or reply to this e-mail.

Have a great rest of the day.

Department of Lands Permits #'s:
Dry Hydrant: L-96-S-1334

Hi Keith:

Thank you for your help over the phone in filling out the enclosed
Application for Permit.

Also enclosed are drawings pertaining to the dry hydrant, Shanti Cove map
with hydrant location, Department of Lands copy with permit #, and map
document with dry hydrant marked as best I could. The map copy is
extremely dark, but area road names show plainly.

Please let us know if there is anything else needed. (Dan McMahon's email
is dan@mebldg.com and the best phone # to reach us is 264-6700.)

Thank You,

Sue Harding/Office Manager
